## Description

The building F of the Greenhill Campus is located in the prestigious Research Park of Haasrode (Leuven) which features green and picnic areas. This is a zero fossil energy building and is equipped to install photovoltaic panels, as well as electric charging stations. These offices are equipped with suspended ceilings with integrated light fixtures, cable ducts along the facades, air conditioning, a (common) kitchenette and a lift.

They are reserved to companies eligible under the "Haasrode research & business park", i.e. with main or secondary activity in R&D, innovation, IT, etc... or support for these activities.

There is a bus stop of "De Lijn" near the entrance of the Greenhill Campus Park (bus 4 (Haasrode-Leuven-Herent) and 630 (Haasrode-Leuven Station-Wijgmaal)). The park is easily accessible by car and is only 5 minutes from the E40 Brussels-Leuven-Liège (exit 23a Haasrode Research). The park also has a restaurant with a terrace. Outdoor, indoor parking, archives and showers also available.
